EXTANG ENGINEERED QUALITY FEATURES:

Extang has done it again. Using their TuffBuilt™ engineering principals - combined with their "bead-turning good looks" design - Extang has created the perfect choice in a roll-top tonneau.

Careful attention to detail is evident throughout - from perfectly sewn heavy-duty tarps - to simple one-finger release levers. Add to that the popular *Extang Lifetime Warranty* (on both the tarp & frame) and you have yourself a very smart buy.

Also, an Extang tonneau will pay for itself within a few months in gas savings. All good reasons why Extang is America's number one selling tonneau line.
